Upgraded Learning with UWorld

Orbit Institutes is proud to partner with UWorld, the world's leading exam-prep provider, to offer students an upgraded syllabus and smarter learning tools.

With UWorld, our students benefit from:

- **Exam-focused practice questions** mirroring real CPA & CMA exams
- **Award-winning explanations** with vivid illustrations for better retention
- **Dynamic study planners** to create personalized learning paths
- **Digital flashcards & SmartPath™ tools** for long-term mastery
- **Mock exams & Prometric-like simulations** for real exam readiness

Result: 80% of UWorld candidates pass on their first attempt.

Why UWorld is Better

Real Exam Experience

Questions designed to match the CPA & CMA exam interface and difficulty level

Award-Winning Explanations

Detailed solutions with visuals that make complex concepts easy to understand

Smart Learning Tools

Digital flashcards, personalised study planners, and performance tracking to maximise efficiency

Higher Pass Rates

80% of UWorld candidates clear exams on their first attempt, higher than most prep providers

Engaging & Effective

Active learning methods that improve retention and reduce study time

Trusted Worldwide

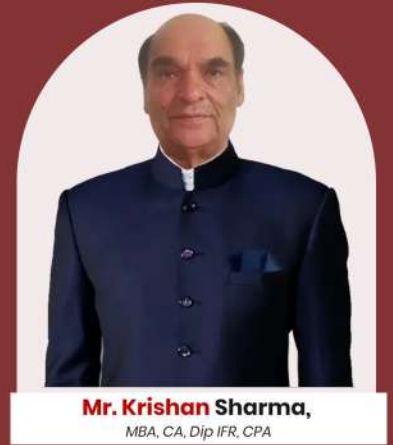

Chosen by millions of students and professionals across 180+ countries

With UWorld, Orbit Institutes gives you not just preparation, but mastery.

About the Founder

Orbit Institutes is led by Mr. Krishan Sharma, a visionary in professional education with over 27 years of expertise. A licensed CPA across Ohio, New Jersey, and Florida, and a Chartered Accountant in the USA, Canada, and India, Mr. Sharma has mentored countless professionals and pioneered CPA education in India.

His leadership ensures Orbit continues to deliver excellence in training and career development.
